**G. REPORTS****Directors Report**

1. On our third week of allowing browsing by appointment. It has been an amazing success. Had 110 visitors on our first day of browsing and 120 on the second.
2. FNSB updated our mitigation policy again. Masking, social distancing, etc. is now all required in the "low risk" category. Another change was that fully vaccinated staff can travel outside the state and rather than having to stay away for 10 days or get a Covid test, they can now call HR and get screened in.
3. It is budget time. The library budget is 100% flat for this coming fiscal year.
4. CIP project is still on the same schedule for the library.
5. Fundraising update for renovation – Richard McQuelkin passed away and his family wanted to honor him. They donated 100k to go towards the teen room. Also received a call from Dermot. He is clearing out his brother's house & had the idea to donate the entire library to the Foundation for a book sale and all the proceeds would go toward the renovation project.
6. The Summer Reading Program this year is called "Reading Colors Your World". There is some talk about some socially distancing programming taking place in library. Waiting for Risk to approve.
7. Working on a program with Stars of Gold Readers. It is a Literary Farmers Market behind the library in Week Field. Inviting different organizations in the community to table at the market. They can bring whatever they want but there has to be some sort of activity that relates to reading. This program is for ages 0 – 17yrs. The kids have to register for the program. Once they arrive, they will be given a little coin purse with the logo's printed on them. Each table the kids visit, they will earn fake money to be used in the end at a different table where they can spend that money on healthy treats like berries, & fresh veggies.
8. Currently have 2 Library Assistant positions open.
9. Need to review our Internet Use Policy. Will get red-lined version to you for review & would like to talk about it next time we meet.
