Ms. Dau advised that there will need to be five members of the board in order to maintain a quorum for HY001-21 Gillam Way.

Chair Pitney stated that Mr. Hicks had a conflict and therefore is excused from the dais for HY001-21 Gillam Way hearing.

Mr. Brooks declared he is also a Department of Transportation employee with the State of Alaska, and he helped prepare the application for highway project HY001-21 Gillam Way.

Chair Pitney stated that Mr. Brooks had a conflict and therefore is excused from the HY001-21 Gillam Way hearing.

These disqualifications put the Platting Board under the required members in order to maintain a quorum for this item and the hearing will be scheduled for a future date.

**MESSAGES – continued**

Ms. Schachle disclosed she works with Stutzmann Engineering, Design Alaska, and 3-Tier Alaska in her capacity as a realtor.

Chair Pitney ruled that she did not as of this time have a conflict on RP044-21 Greenfield Subdivision, SD015-21 Solski Subdivision, or VA001-21 Chatanika Drive.

Ms. Orem stated as a realtor she had commissioned work from Design Alaska within the last month and said that she works with these surveyors frequently.

Chair Pitney ruled Ms. Orem had a conflict of interest on SD015-21 Solski Subdivision. Mr. Brooks asked why Chair Pitney believed that. Chair Pitney stated that Ms. Orem had a financial interest in the firm and therefore should not be allowed to vote. Ms. Dau asked a clarifying question to Ms. Orem regarding whether the work has yet been paid for. Ms. Schachle stated that she has been in the same position in the past as she is also a realtor and been allowed to vote.

Ms. Dau elaborated on the rules regarding Conflict of Interest and the appearance of a Conflict of Interest.

**MESSAGES – continued**

Chair Pitney stated that he was contacted by a surveyor for 3-Tier Alaska in order to allow the surveyor to set up equipment on his property to provide the surveyor access to some lots near his property. He believes he will not gain anything from this as he already has legal access to his lot, but he also believes that this would disqualify him from voting on any matter associated with the 3-Tier Alaska.

*Clerk’s Note: Chair Pitney passed the gavel to the Vice Chair Fritze.*

Vice Chair Fritze asked if he received any financial benefit and whether Chair Pitney could be impartial in this matter. Chair Pitney stated he was gaining a second legal access, but he could be impartial in this matter. Mr. Brooks asked which item he was referring to and Chair Pitney stated it was item VA001-21 Chatanika Drive. Ms. Dau clarified the rules regarding conflicts of interest and iterated that the item in question was a public hearing item, not quasi-judicial and therefore the rules were not as strict. Mr. Hicks stated the public was losing something due to the vacation. Discussion ensued. Vice Chair Fritze asked whether the outcome of any item would affect Chair Pitney personally. He stated that it would not. Vice Chair Fritze ruled there was no conflict between Chair Pitney and VA001-21 Chatanika Drive.
