Ms. Walker stated that she is allowing Mr. Holland to continue to do what he needs to do to safely hold the 2021 Family Health Fair.

Ms. Willey asked whether it would be possible to get things ordered in time? Mr. Holland stated that should not be a problem.

Ms. Charlie added that she spoke to someone from Chief Andrew Isaac Health Center and she supports the idea of doing screening, but also recommended watching the Covid-19 case numbers, wearing the mask, following CDC guidelines, and to prepare themselves for the fact that they might have to cancel.

Ms. Saenz thanked people for the planning that has already been done.

Ms. Randall said that she supports moving forward and keeping it tightly focused on doing the screenings for the children, emphasizing a quick turn-around. She suggested only allowing a certain number of people inside the building at a time. She also added that Fairbanks Hearing and Balance is offering free screenings and that the immunization clinics are currently ongoing.
