The property is located within United States Survey No. 849 and within Sections 10 and 15, T.1S., R.1W., F.M., specifically on the east side of Gillam Way between 22nd Avenue to 14th Avenue within the City of Fairbanks, Alaska.

Troy Hicks, with the Department of Transportation and Public Facilities, provided testimony on the specifics of right-of-way plats and how they differ from regular plats.

Ehren Lohse, Assistant Borough Attorney, stated that the board should not give Mr. Hicks testimony any greater weight because he is a member of the board.

MOTION CARRIED 5 Yeses, 0 Noes

SUBDIVISION RECOMMENDATION

1. The final plat application shall be submitted by September 21, 2023 or the preliminary approval will become void.
2. Condition #2 from the September 21, 2021 approval shall be revised to state, "The monumentation requirements of FNSBC 17.28.030 shall be adhered to and depicted on the final plat."

FINDINGS OF FACT

- A) The Platting Board approved the ROW acquisition plat request on September 21, 2016.
- B) The preliminary plat expires on September 21, 2021.
- C) This is the applicant's first extension request.
- D) FNSB staff support the extension request.

PUBLIC HEARING - continued

- E) At the time of approval in September 2016, FNSB staff incorrectly cited the monumentation requirements as FNSBC 17.30.150. The correct citation is FNSBC 17.28.030, and recommended Condition #2 addresses this.
- F) FNSBC 17.28.040(C) states that the Platting Board may grant an extension for recording the final plat upon the finding that it is in the public interest to do so.
- G) Approval of the extension request is in the public interest because the highway project's ROW acquisition plat supports the purposes of FNSB Title 17, as codified in FNSBC 17.08.010(A):
 - i. Promote and provide for adequate and efficient street and road systems;
 - ii. Prevent congestion on streets and promote traffic safety;
 - iii. Provide for adequate utilities and public improvements;
 - iv. Ensure the accurate survey and proper preparation of plats to facilitate the documentation of land ownership;
 - v. Protect and improve the health, safety, and general welfare of the people of the borough.

Mr. Hicks and Mr. Brooks returned to the dais.

EXCUSE FUTURE ABSENCES
