- 1. Review/Approve the FY22 Match Assistance Grant RFA (Request for Applications) document.

Chair George-Bettisworth explained during the July Health and Social Services Commission meeting it was noted there were no material changes to the RFA from the prior year. Changes and improvements were made to the RFA in the prior year.

Mr. Holland provided status updates on the non-incorporated 501(c)(3) discussion. Input at the last meeting from commissioners and agency partners were helpful. The question that arose was; can a coalition, specifically, the Fairbanks Reentry Coalition, apply for Match Assistance Grants (MAG). The answer last year was coalitions were not able to apply for the MAG. Further inquiry revealed the borough does not enter into contracts with organizations that do not meet the 501(c)(3) designation requirements.

Further discussion ensued on applying and qualifying for 501(c)(3) status.
