PROPOSITION 1

Non-Areawide Proposition in the Borough

An initiative ordinance has been submitted that proposes to amend FNSBC Title 9 by adopting a new chapter, 9.18 Marijuana License Referrals that will prohibit marijuana businesses inside the borough in the area outside of the cities.

Marijuana establishments include:

- a. a *retail marijuana store*, an entity that sells marijuana and marijuana products to consumers;
- b. a *marijuana cultivation facility*, an entity that cultivates, prepares, and packages marijuana and sells marijuana to other marijuana establishments, but not to consumers;
- c. a *marijuana product manufacturing facility*, an entity that purchases, manufactures, and prepares marijuana products and sells marijuana and marijuana products to other marijuana establishments, but not to consumers; and
- d. a *marijuana testing facility*, an entity that analyzes and certifies the safety and potency of marijuana.

Shall the Fairbanks North Star Borough adopt a local option to prohibit the operation of marijuana establishments inside the borough in the area outside the cities?
